1. Profile of the College

Brief History

The College was established in the year 1975 as an extension of Gauri Pathshala Inter College (established in 1905). The primary aim of the establishment of this College in the thick locality of Malviya Nagar (Ahiyapur), was to educate and empower the girls of this area who were unable to go to the University for higher education. Late Justice Mahesh Prasad Mehrotra, Late Smt Rani Tandon and late Shri Hari Mohan Das Tandon were founder members of the college management. The college started with BA course in the following subjects – Hindi, Sanskrit, English, Political Science, Economics, Ancient History, Education, Music Vocal and Tabla. **New courses B.Com and Ph.D** (Political Science and Hindi) have been started in the year 2018 and 2022 respectively.

The College attained Central status and became a **constituent college of the University of Allahabad in 2005** and received B grade by NAAC in the year 2005 and 2015. To ensure quality education for girls in the outskirts of Allahabad, an additional branch was also **established at Mahewa in 2024.**

Thrust Areas:

- The college firmly commits itself to women empowerment by transforming young women as responsible and independent citizen.
- To provide higher education of excellent quality through well integrated teaching learning for holistic development of the girl students.
- To inculcate creative impulse and critical thinking in the girl students.
- To sensitize them towards burning social issues such that they may be responsive to social needs.
- To empower them so that they may become economically independent and self-sufficient enriched with moral values and may become responsible citizens of the nation.

Certificate Course on Computer Concepts	01	20

Curricular Aspects

- The curriculum delivery is planned and executed with great care so as to ensure optimum output, keeping the students at the center of the teaching-learning process. A collective and collaborative approach is adopted in disseminating knowledge and meticulously followed through a continuous assessment mechanism.
- Lectures by experts, field visits, extension activities and scores of other curricular and co-curricular programs help the students to further explore their academic, social and

vocational potentials.

- The courses offered here are further embellished with integrating relevant issues in gender equity, environmental sensitivity, values and professional ethics to make the students competitive at the same time sensitive pressing issues around them.
- Workshops and training programs in skill development and personality enhancement provide a transformative dimension to learning process.
- In addition, the college gives value education classes to shape spiritual and human values of students. A lot of sensitization programs are also conducted in the last five years on various other crosscutting issues.
- The college has an effective feedback system on curriculum from stakeholders and remedial measures are taken by communicating them to the University of Allahabad through the teachers who are the members of Board of Studies.

Teaching-learning and Evaluation

- Admission to the UG and PG programs in the college are done strictly adhering to the University norms Admission to the **B.A** and **BCom** programs in the college are done through **CUET and Non CUET**. Preference will be given to **the CUET students**. Teachers, in general, are aware of the students' needs in terms of knowledge and skills due to their previous experiences in teaching similar level students over the years. Student centric method of teaching i.e. the most approved pedagogy is followed by the all faculty members. Regular use of ICT in classrooms makes the teaching-learning process better and effective. Different departments undertake different procedures for innovation and creativity in teaching-learning.
- A well structural academic calendar is in place with the dates for various academic priorities in advance.
- Feedback from various stakeholders parents, students, alumni and management helps the institution in assessing their satisfaction level, particularly the students. Transparency and accountability characterize the evaluation system of the college. To ensure effective Teaching-learning environment,

Research, Innovations and Extension

- The college is committed to the promotion of intellectual rigor and excellence by motivating departments and teachers as well as students to organize seminars, conferences, workshop, skill based courses.
- The extension wing of the college co-ordinates all the extension activities in the neighborhood with the help of various cells and organizations like NSS , Women Cell, Students' Council. The extension activities include various sociocultural, educational and training programs in neighboring communities. Every outreach activity is followed up by a collective reflection and personal integration process whereby the students critically assimilate the insights gained from the experience in the field.

Infrastructure and Learning Resources

The college provides a rich library and access to internet with e-resource facility through INFLIBNET for the purpose of ensuring academic excellence and ensuring critical knowledge to the students., The a well equipped Committee Hall with LED and Public Address System for effectively translating the curriculum.and an Activity Hall. Both are equipped with multimedia projectors and other facilities for conducting events. The college has a Language Lab and Computer Lab. With 20 computers, Computers with internet facility for effectively translating the curriculum. The library has the facility to access e- resource. The campus has Wi-Fi facility. The office has Printer, Fax Machines, scanners Colour Printers and Photocopy machines.

Student Support and Progression

- The college envisages a wholesome mechanism for student support and progression by offering orientation and motivation, skill development programs The college has a website which provides necessary details to the students.
- In keeping with the vision of the college, Symposium, Workshops and Lectures on social issues like Gender Sensitization, Women Empowerment, Environmental Education, Social Responsibility, Energy Conservation, Careers in Globalized World, Importance of Information Technology and Value Education. The institution organizes various programmes to integrate cross cutting issues like Gender Issues, Environment, Health etc. into the activities to increase the awareness that help in the Holistic Development of the students.
- Special efforts are made to instill moral and ethical values in the students. NSS activities make the students aware of their social responsibility.
- All the students are assessed through class work, interaction in class and the Home examination. Great emphasis is laid on improving the performance of slow learners.
- There is a systematic feedback from students and parents that is analysed and these are considered during planning.
- There is a Student Council in the College. The selection is done strictly on the basis of Lyngdoh Committee Report.
- The college has a Language Lab and Computer Lab. Add on Courses for skill development (NSQF Diploma and certificate courses have been started from the session 2021-22.
